Lying

Peter Frampton

Okay, I said, okay
I'll tell you something about an hour ago
I see you with someone I don't even know
I caught you lying, yeah, you were lying, lying
Oh baby, lying
I get your feelings from the look on your face
When it comes down, baby, you're a disgrace
You should be trying, you're always lying, oh yeah
I caught you cheating
All day and most of the night
I'm sitting' here wondering why
All of the things you said me, yeah
Oh baby, why you lie to me?
Take your feelings through the door
Don't come calling anymore
I ain't gonna fight you
'Cause I can't win, it's a sin
Don't even notice, you don't even care
I'll see you with someone, I don't think that's fair
I'm walking through streets at night, don't know their names
I come back to find you playing one of your games
Lying, lying, yeah, yeah, lying, oh
I caught you cheating, oh, all day, all of the night
I'm walking around in circles wondering why
All of the things you said to me
Oh baby, you drive me crazy
Take your reasons through the door
Don't come calling anymore
I ain't gonna fight you
'Cause I can't win, oh baby, c'mon
All day, most of the night
I'm still sitting here wondering why
All of things you did to me
I'll always wonder why
Take your reasons through the door
Don't come calling anymore
I ain't gonna fight you
I can't win, it's a sin
I ain't gonna fight you

'Cause I can't win
It's useless, baby
'Cause I have given it so much time
Yeah, yeah, oh yeah
