

# The End

Nico

This is the end, beautiful friend  
This is the end, my only friend  
The end of our elaborate plans  
The end of everything that stands  
The end, no safety no surprise  
The end, I'll never look into your eyes again  
Can you picture what we'll be  
So limitless and free  
Desperately in need of some stranger's hand  
In a desperate land? Lost in a Roman wilderness of pain  
And all the children are insane  
All the children are insane  
Waiting for the summer rain  
There's danger on the edge of town  
Ride the King's highway, baby  
Weird scenes inside the gold mine  
Ride the highway west  
Ride the snake  
Ride the snake to the lake  
The ancient lake  
The snake is long, seven miles  
Ride the snake  
He's old and his skin is cold  
The West is the best  
The West is the best  
Get here and we'll do the rest  
The blue bus is calling us  
The blue bus is calling us  
Driver, where're you taking us?  
The killer awoke before dawn  
He put his boots on  
He took a face from the ancient gallery  
And he walked on down the hall  
He went to the room where his sister lived  
And then he paid a visit to his brother  
And then he, he walked on down the hall  
And he came to a door and he looked inside  
"Father?" "Yes, son?"  
"I want to kill you. Mother, I want to..."  
Come on, baby, take a chance with us  
Come on, baby, take a chance with us  
Come on, baby, take a chance with us  
And meet me at the back of the blue bus  
This is the end, beautiful friend  
This is the end, my only friend

The end, it hurts to set you free  
But you'll never follow me  
The end of laughter and soft lies  
The end of nights we tried to die  
This is the end
