No One Believes In Me Anymore (Satan's Boast)

Keith Green

Oh, my job keeps getting easier as time keeps slipping away
I can imitate the brightest light and make your night look just like day
I put some truth in every lie to tickle itching ears
You know I'm drawing people just like flies
'Cause they like what they hearI'm gaining power by the hour they're falling by the score
You know, it's getting very simple now
Since no one believe in me anymoreOh, heaven's just a state of mind my books read on your shelf
And have you heard that God is dead I made that one up myself
They dabble in magic spells they get their fortunes read
You know they heard the truth but turned away
And they followed me insteadI used to have to sneak around but now they just open their doors
You know, no ones watching for my tricks
Since no one believes in me anymoreEveryone likes a winner with my help, you're guaranteed to win
And hey man, you're ain't no sinner, no you've got the truth within
And as your life slips by you believe the lie that you did it on your own
But don't worry I'll be there to help you share our dark eternal home
Our dark eternal homeOh, my job keeps getting easier as day slips into day
The magazines, the newspapers print every word I say
This world is just my spinning top it's all like child's play
You know, I dream that it will never stop but I know it's not that wayStill my work goes on and on always stronger than before
I'm gonna make it dark before the dawn
Since no one believes in me anymoreWell I used to have to sneak around but now they just open their doors
You know, no one watches for my tricks
Since no one believes in me anymoreWell I'm gaining power by the hour they're falling by the score
You know, it's getting very easy now since no one believes in me anymore
No one believes in me anymore, no one believe in me anymore
