Queen B

Puscifer

This lady got the thickness
Can I get a witness
This lovely lady got the thickness
Can I get a Hell Yeah

Grab them saddlebags and
Toss em over me
Let's ride all night

This lady got the thickness
Can I get a witness
This lovely lady got the thickness
Can I get a Hell Yeah

Booty big and delicious
Shake it like she's fearless
This lovely lady got the thickness
Can I get a Hell Yeah

This lady got the thickness
Can I get a witness
This lovely lady got the thickness
Can I get a Hell Yeah

Grab them saddlebags and
Toss em over me
This booty got the thickness
Can I get a Hell Yeah
