

I Know Where I'm Going

The Judds

I know where I'm goin'
Don't you wanna come too?
I got my reservations
And I got one for youThe train's leavin' just after dark
There's always room for a lovin' heart
I know where I'm goin'
Don't you wanna come too?I know my destination
It's a' waiting for me
I got no hesitation
That's where I want to beAnd by the time that the sun comes up
Well, I'll be drinkin' from a lovin' cup
I know where I'm goin'
Don't you wanna come too?Don't you wanna come? Don't you wanna ride?
Don't you wanna be there by my side?
Hand in hand, holding on to
A sweet salvation that is waiting for me and youI know why I'm singin'
Don't you wanna sing too?
Can't you hear the bells a ringin'?
Let the spirit move youJust close your eyes and let it flow
Lean your head back, let it go
I know where I'm goin'
Don't you wanna come too?Don't you wanna come? Don't you wanna ride?
Don't you wanna be there by my side?
Hand in hand, holding on to
A sweet salvation that is waiting for me and youI know where I'm goin'
Don't you wanna come too?
I got my reservations
And I got you for youI know why I'm singin'
Don't you wanna sing too?
Can't you hear the bells a ringin'?
Let the spirit move you, spirit move you, yeahI know where I'm goin'
Don't you wanna come too?
I know where I'm goin'
Don't you wanna come too?
