

The Wild and the Young (Re-Recorded)

Quiet Riot

Times are changing
Nothing stays the same
For this jukebox generation Adhere to fashion
Like computer games
Modern day communication The news hard to take
Will fade tomorrow
They are the strong
They'll survive The wild and the young
They all have their dreams
The wild and the young
They've got to be free
The sun never sets
For souls on the run
The wild and the young Yeah
Hah! Roaring passion
With no guilt or shame
It's accepting education, yeah! Misbehaving
No regrets, no blame
With a bold kind of sophistication So close to the edge
And high on the wire
They are not wrong
They're alive The wild and the young
They all have their dreams
The wild and the young
They've got to be free
The sun never sets
For souls on the run
The wild and the young Ha! So close to the edge
And high on the wire
They are not wrong
They're alive Look out! Wild, wild
The wild and the
Young, y-y-y-young The wild and the young
They all have their dreams
The wild and the young
They've got to be free
The sun never sets
For souls on the run The wild and the young
They all have their dreams

The wild and the young
They've got to be free
The sun never sets
For souls on the run
The wild and the young Oh yeah The wild and the young
Oh Right
