Granny

Buck Howdy

You were always were so nice
When it came to problems you knew
I never did think twice
About ever coming to you
So granny, what on earth can I do?
Granny, granny, what on earth can I do?
'Cause this little girl, this little girl
She's a driving me wild, she's a driving me wild
So wild, so wild, so wild
You always straightened me out
When I was feeling rough
But this one I really doubt
'Cause this one's really tough
Oh granny, what on earth can I do?
Granny, granny, what on earth can I do?
'Cause this little girl, this little girl
She's a driving me wild, she's a driving me wild
So wild, so wild, so wild
So granny, what on earth can I do?
Granny, granny, what on earth can I do?
'Cause this little girl, this little girl
She's a driving me wild, she's a driving me wild
So wild, so wild, so wild
