

# Granny

## Buck Howdy

You were always were so nice  
When it came to problems you knew  
I never did think twice  
About ever coming to you  
So granny, what on earth can I do?  
Granny, granny, what on earth can I do?  
'Cause this little girl, this little girl  
She's a driving me wild, she's a driving me wild  
So wild, so wild, so wild  
You always straightened me out  
When I was feeling rough  
But this one I really doubt  
'Cause this one's really tough  
Oh granny, what on earth can I do?  
Granny, granny, what on earth can I do?  
'Cause this little girl, this little girl  
She's a driving me wild, she's a driving me wild  
So wild, so wild, so wild  
So granny, what on earth can I do?  
Granny, granny, what on earth can I do?  
'Cause this little girl, this little girl  
She's a driving me wild, she's a driving me wild  
So wild, so wild, so wild
