

Hit Me Up (Album Version)

Gia Farrell

I did cause a commotion
I can't help but make a scene
I ain't lookin' for something preeminent to get at me
Tell you what it's gonna be
You better step up your game
Before you can step with me

Can't you see me walkin' through the door
Maybe I should turn it up a little but more
I can't help but feel responsible
For what the girls hate
And the boys adore

Say hey what's it gonna be tonight
Come hit me up
Come hit me up
Say hey party with me tonight
Come hit me up
Come hit me up
Say hey we been running all night
Come hit me up
Come hit me up
I know you feel it cause you checking me right
Come hit me up
Come hit me up
Baby baby, just a little bit
Baby baby, just a little more
Baby baby, let me see ya
Walk to me talk to me handle me right

I walk in jaws all be droppin'
It's so electrified
Don't mean to intend my date
Don't mean to make you loose your mind

If you want this work it for this
Show me that you got what's right
You better make an impression
Won't get another try

Can't you see me walkin' through the door
Maybe I should turn it up a little but more
I can't help but feel responsible
For what the girls hate
And the boys adore

Say hey what's it gonna be tonight
Come hit me up
Come hit me up
Say hey party with me tonight
Come hit me up
Come hit me up
Say hey we been running all night
Come hit me up
Come hit me up
I know you feel it cause you checking me right
Come hit me up
Come hit me up
Baby baby, just a little bit
Baby baby, just a little more
Baby baby, let me see ya
Walk to me talk to me handle me right

Say hey what's it gonna be tonight
Come hit me up
Come hit me up
Say hey party with me tonight
Come hit me up
Come hit me up
Say hey we been running all night
What's it gonna be tonight
I know you feel it cause you checking me right
Come hit me up
Come hit me up

Say hey what's it gonna be tonight
Come hit me up
Come hit me up
Say hey party with me tonight
Come hit me up
Come hit me up
Say hey we been running all night
Come hit me up
Come hit me up
I know you feel it cause you checking me right

Come hit me up
Come hit me up

[Repeat: x2]

Baby baby, just a little bit
Baby baby, just a little more
Baby baby, let me see ya
Walk to me talk to me handle me right
