

# I'm Weird

## Ghost Town

Advisory - the following lyrics contain explicit language:

Will she like me?  
Will she notice my anxiety?  
Will she notice that my hands are shaking?  
That my heart is making this sound to the words that she speaks? And I want her to know! I'm weird, I'm weird!  
And I hope that she likes it.  
I hope she don't mind that...I'm weird, I'm weird!  
And I hope that she likes it.  
I hope she don't hate that I'm weird. I'm weird. Sick of all this normal shit,  
'Cause I'm over it, she ain't into this.  
Figured out what the problem was,  
Maybe creepin' up was a bit too much. Hate the way we ended,  
Let's just stop pretending  
That we didn't feel something special,  
Don't you lie. 'Cause I know where you live,  
I just wanna relive  
That half a second  
Was the best moment of my life! I'm weird, I'm weird!  
And I hope that she likes it.  
I hope she don't mind that...I'm weird, I'm weird!  
And I hope that she likes it.  
I hope she don't hate that I'm weird. I'm weird. I wanna tell you.  
I wanna tell you.  
I wanna tell you.  
I wanted to tell you. I wanna tell you!  
I wanted to tell you!  
I wanna tell you!  
I wanna tell you! I'm weird, I'm weird.  
And I hope that you like it.  
I hope you don't mind that...I'm weird, I'm weird.  
And I hope that you like it.  
I hope you don't hate that I'm weird! I'm weird, I'm weird.  
And I hope that she likes it,

I hope she don't mind that...I'm weird, I'm weird.

And I hope that she likes it.

I hope she don't hate that I'm weird.
