

# Crucify

## Charm City Devils

Every finger in the room was pointing at me, I wanna spit  
In their faces then I get afraid of what that could bring  
I got a bowling ball in my stomach, I got a desert in my mouth  
Figures that my courage would choose to sell out now I've been looking for a savior in these dirty streets  
Looking for a savior beneath these dirty sheets  
I've been raising up my hands drive another nail in  
Just what God needs one more victim Why do we crucify ourselves?  
Everyday I crucify myself  
And nothing I do is good enough for you  
I crucify myself Everyday I crucify myself  
And my heart is sick of being  
I said, "My heart is sick of being in  
Chains, chains" Got a kick for a dog begging for love  
I gotta I have my suffering so that I can have my cross  
I know a cat named Easter, he says, "Will you ever learn  
You're just an empty cage girl if you kill the bird" I've been looking for a savior in these dirty streets  
Looking for a savior beneath these dirty sheets  
I've been raising up my hands, drive another nail in  
Got enough guilt to start my own religion Why do we crucify ourselves?  
Every day I crucify myself  
And nothing I do is good enough for you  
Crucify myself Every day I crucify myself  
And my heart is sick of being  
I said, "My heart is sick of being in  
Chains, chains" Please save me, I cry Looking for a savior in these dirty streets  
Looking for a savior beneath these dirty sheets  
I've been raising up my hands, drive another nail in  
Where're those Angels when you need them? Why do we crucify ourselves?  
Every day I crucify myself  
And nothing I do is good enough for you  
Crucify myself Every day I crucify myself  
And my heart is sick of being  
I said, "My heart is sick of being in  
Chains, chains" Why do we crucify ourselves?  
Why do we crucify ourselves? Every day
