Old Apartment

Cityview

Magnolia Street, apartment 3
Is where you left me
And you're afraid, so am i
I've never been so scare, in my life

Pre Chorus:
And I could not take it
and we would not make it
but i'm sick of telling you goodbye

Chorus:
And I got a picture you should see
And I've got a letter you should read
But i've sealed the envelope up so tight
You'll never know what's inside
And i'll write it, and you'll read it
Carefully

It's been a while
Stuck at home
Your favorite songs on the radio
And I'm singing the words out loud
The way you did so adolescent

Pre Chorus:
And I could not take it
and we would not make it
but i'm sick of telling you goodbye

Chorus:
And I got a picture you should see
And I've got a letter you should read
But i've sealed the envelope up so tight
You'll never know what's inside
And i'll write it, and you'll read it
Carefully, carefully

These days go by and i'm so alone
I can't take it back
That you left me waiting for so long

(My great telling words)
(these words you'll never learn)

And I've been staring at the ceiling
waiting for your phone call

Pre Chorus:
And I could not take it
and we would not make it
but i'm sick of telling you goodbye

Chorus:
And I got a picture you should see
And I've got a letter you should read
But i've sealed the envelope up so tight
You'll never know what's inside
And i'll write it, and you'll read it
Carefully, carefully

(ohhhh)
