

Gimme No Lip

Dangerous Toys

I said, I don't wanna hear about your miserable day
If I gave you the chance you'd talk my life away
You tell me that you love me but that's not a sin
But fifty times a day is kinda wearin' me thin I know you like to talk just to hear your own voice
Is there a point you're trying to make or just a little noise?
Well, all ya ever do is nag, nag, nag, nag
Why can't you stop your bitchin', are you always such a drag? G-g-gimme' no lip, you gotta shut up baby
G-g-gimme' no lip, you gotta shut up baby Your jaws always jabber, you're a pain in the neck
Even driving in your car, you're gonna have a wreck
Talk about the things I don't wanna understand
You hold the world's record, 'Biggest mouth in the land' Once I had a dream you couldn't utter a peep
But then you woke me up, baby, 'cause you were talkin' in your sleep
Well, all ya ever do is nag, nag, nag, nag
Why can't you stop your bitchin', are you always such a drag? G-g-gimme' no lip, you gotta shut up baby
G-g-gimme' no lip, you gotta shut up baby Baby why you talkin'? You're drivin' me crazy
Baby why you yell? You're drivin' me nuts
Baby why you talkin'? You're d-drivin' me crazy
Baby why you yell? You're d-drivin' me nuts G-g-gimme' no lip, gotta shut up baby
G-g-gimme' no lip, you gotta shut up baby G-g-gimme' no lip, gotta shut up baby
G-g-gimme' no lip, you gotta shut up baby G-g-gimme' no lip, gimme' no lip
Don't you gimme, gimme no lip Chiney Mo, Chiney Mo
Chiney Mo, Chiney Mo
