Monster High

Corner

Oooh, ya give me the chills...

Walkin' down a darkened hallway
Everybody turns to look at you
It's not because you're different
It's just because you're so scary cool

A sinister style, mystery with a smile
You're drop dead gorgeous (drop dead gorgeous)
High school gives me the creeps
But when I'm with my peeps
You can't ignore us
This is where the ghoul kids rule

Monster, Monster High
Monster High, Monster, Monster High
Come on, don't be shy
Monster High
The party never dies

Monster, Monster High
Monster High, Monster, Monster High
Freaky, chic 'n' fly
Monster High
Where student bodies lie

Ay, Frankie's got me fallin' apart
Uhh, Draculaura's stealin' my heart (heart)
Clawdeen Wolf ya make me howl at the moon (howl)
Lagoona you're the finest fish in this lagoon (Ah!)
Cleo de Nile you so beguile
Even though you act so vile
And Deuce has stone cold style
These are my boos, my skeleton crew
A little strange, but so are you
Don't you wanna be a Monster too?

Ohh, freaky just got fabulous
Everybody wants a piece of you
Best eyes, best smile

Lets be realistic
Most characteristic
Most hip 'n' horrific

A sinister style, mystery with a smile
You're drop dead gorgeous (drop dead gorgeous)
High school gives me the creeps
But when I'm with my peeps
You can't ignore us
This is where the ghoul kids rule

Monster, Monster High
Monster High, Monster, Monster High
Come on, don't be shy
Monster High
The party never dies

Monster, Monster High
Monster High, Monster, Monster High
Freaky, chic 'n' fly
Monster High
Where student bodies lie

M-O-N-S-T-E-R
Monsters, Monsters so bizarre
M-O-N-S-T-E-R
Monsters, Monsters yes we are!

M-O-N-S-T-E-R
Monsters, Monsters so bizarre
M-O-N-S-T-E-R
Monsters, Monsters yes we are!

Monster, Monster High
Monster High, Monster, Monster High
Come on, don't be shy
Monster High
The party never dies

Monster Monster High
Monster High Monster Monster High
Freaky, shockin', fly
Monster High
Where student bodies lie

We've got spirits, yes we do

We've got spirits how 'bout you?

We've got spirits, yes we do
We've got spirits how 'bout you?

Knock 'em dead!
