

# Symmetry (fr. Phil Oakley)

## Little Boots

You're the night to my day  
And the left to my right  
The blood to my veins  
And the dark to my light  
The stop to my start  
And the constant beat of my heartThe sun to my moon  
And the stars in my sky  
The hot to my cold  
And the black to my white  
The rain to my thunderclouds  
And the truth in my liesSo tell me what you want to see  
'Coz everything I want to be  
Is there in your reflection  
Shining out right back at meSo love me in perfect symmetry  
Be my everything  
If you just love me in perfect symmetry  
Only you can make me feel complete  
In perfect symmetry  
Be my everything  
If you just love me in perfect symmetry  
Only you can make me feel completeSo tell me your dreams and  
I'll tell you all my fears  
So ask me your questions  
I'll tell you what you want to hearYou're the high to my low  
And the give to my take  
The shadow I cast  
And the echo I make  
The calm to my storm  
And the lesson in my mistakesSo tell me what you want to see  
You're everything I want to beJust love me in perfect symmetry  
Be my everything  
If you just love me in perfect symmetry  
Only you can make me feel complete  
In perfect symmetry  
Be my everything  
If you just love me in perfect symmetry  
Only you can make me feel completeSo tell me your dreams  
And I'll tell you my fears  
So ask me your questions
