

Good Goodbye (feat. Pusha T & Stormzy)

LINKIN PARK

[Chorus: Chester Bennington]

So say goodbye and hit the road

Pack it up and disappear

You better have some place to go

'Cause you can't come back around here

Good goodbye

(Don't you come back no more)[Verse 1: Mike Shinoda]

Live from the rhythm, it's

Something wild, venomous

Enemies trying to read me

You're all looking highly illiterate

Blindly forgetting if I'm in the mix

You won't find an equivalent

I've been here killing it

Longer than you've been alive, you idiot

And it makes you so mad

Somebody else could be stepping in front of you

And it makes you so mad that you're not the only one

There's more than one of you

And you can't understand the fact

That it's over and done, hope you had fun

You've got a lot to discuss on the bus

Headed back where you're from[Chorus: Chester Bennington]

So say goodbye and hit the road

Pack it up and disappear

You better have some place to go

'Cause you can't come back around here

Good goodbye

(Don't you come back no more)[Verse 2: Pusha T]

Goodbye, good riddance

A period is after every sentence

Did my time with my cellmate

Maxed out so now we finished

Every day was like a hail date

Every night was like a hailstorm

Took her back to my tinted windows

Showin' out, she in rare form

Wings up, now I'm airborne

King Push, they got a chair for him

Make way for the new queen
The old lineup, where they cheer for 'em
Consequence when you ain't there for him
Were you there for him?
Did you care for him?
You were dead wrong[Chorus: Chester Bennington]
So say goodbye and hit the road
Pack it up and disappear
You better have some place to go
'Cause you can't come back around here
Good goodbye
(Don't you come back no more)[Verse 3: Stormzy]
Let me say goodbye to my demons
Let me say goodbye to my past life
Let me say goodbye to the darkness
Tell 'em that I'd rather be here in the starlight
Tell 'em that I'd rather be here where they love me
Tell 'em that I'm yours this is our life
And I still keep raising the bar like
Never seen a young black brother in the chart twice
Goodbye to the stereotypes
You can't tell my kings we can't
Mandem we're linking tings in parks
Now I gotta tune with Linkin Park
Like goodbye to my old hoe's
Goodbye to the cold roads
I can't die for my postcode
Young little Mike from the Gold Coast
And now I'm inside with my bro bro's
Gang[Chorus: Chester Bennington]
So say goodbye and hit the road
Pack it up and disappear
You better have some place to go
'Cause you can't come back around here
Good goodbye
(Don't you come back no more)
