Move Me

Airling

I'll borrow your body if only to see how it fits
I'll borrow your body if only to see how it fits
I'll borrow your body if only to see how it fits
I'll borrow your body if only to see how it fits with mine
With mine, with mine, with mineSlow crush, it grows as we move closer
Talk trash, it flows
You say you want me
But you can't get it back cause the feeling is gone
No, you can't have me back not now that I'm stolenI'll borrow your body if only to see how it fits
I'll borrow your body if only to see how it fits
I'll borrow your body if only to see how it fits
I'll borrow your body if only to see how it fits
Hearts lush, just motion in my mind cage
Talk, touch, come move me like you wanna
Feel the beat, bring it back
Cause the feeling is gone
And you get it back not now that I'm stolenI'll borrow your body if only to see how it fits
True love with somebody, alright for the one night of bliss
I'll borrow your body if only to see how it fits
I'll borrow your body if only to see how it fits with mine
With mine, with mine, with mineAt night, shake your body just to lose your mind
You're coming up in bruises
City of the ruined, honey
Honey lotus, dancing oh like a fool yeah
But you're golden, moving fast, hand right down my back
I'm soulless so you wanna move me
You wanna move me
You wanna move me, honey
I'll borrow your body if only to see how it fits
True love with somebody, alright for the one night of bliss
I'll borrow your body if only to see how it fits
I'll borrow your body if only to see how it fits with mine
With mine, with mine, with mine
