

# Train Song

## Tom Waits

Well, I broke down in East St. Louis  
The Kansas City line  
Drunk up all my money that I borrowed every time  
And I fell down at the derby  
The night's as black as a crow  
It was a train that took me away from here  
But a train can't bring me home  
What made my dreams so hollow was standing at the depot  
With a steeple full of swallows that could never ring the bell  
And I've come ten thousand miles away, not one thing to show  
It was a train that took me away from here  
But a train can't bring me home I remember when I left without bothering to pack  
Don't you know I up and left  
With just the clothes I had on my back?  
Now, I'm sorry for what I've done  
And I'm out here on my own  
It was a train that took me away from here  
But a train can't bring me home  
It was a train that took me away from here  
But a train can't bring me home
