

# The Day the World Went Away (Porter Ricks)

## Nine Inch Nails

I'd listen to the words he'd say  
But in his voice I heard decay  
The plastic face forced to portray  
All the insides left cold and gray  
There is a place that still remains  
It eats the fear it eats the pain  
The sweetest price he'll have to pay  
The day the whole world went away

Na na nah

Na na na, nah

Na na nah

Na na na , nah
