F.S 2000

Gorefest

Listen to the hot news of today
The show will never go away
It's hotter than hell and never ever dull
Nothing's weird, we have it allFreak show, 2000
The final days of a feeble race
Death you will embraceNo cheap tricks here, it's all for real
The pain you see is what you feel
The toughest, meanest, what a ball
Still longest [Incomprehensible]Freak show, 2000
The final days of a feeble race
Death you will embraceFreak show, 2000
The final days of a feeble race
Vanish without a traceMurder, war, it's all too cool
If you think we're done then you're a fool
Do not leave yet, here's the encore
A million times and there's always moreFreak show, 2000
The final days of a feeble race
Death you will embraceFreak show, 2000
The final days of a feeble race
Vanish without a trace
Vanish, vanish
