

Just One Of Those Things

Frank Sinatra

It was just one of those things
Just one of those crazy flings
One of those bells that now and then rings
Just one of those things It was just one of those nights
Just one of those fabulous flights
A trip to the moon on gossamer wings
Just one of those things If we'd thought a bit 'bout the end of it
When we started painting the town
We'd have been aware that our love affair
Was too hot not to cool down So good bye, dear, and amen
Here's hoping we meet now and then
It was great fun
But it was just one of those things It was just, just one of those nights
Just one of those fabulous flights
A trip to the moon on gossamer wings
Just one of those things If we'd thought a bit 'bout the end of it
When we started painting the town
We'd have been aware that our love affair
Was too hot not to cool down So good bye, good bye, bye bye, good bye, baby, amen
Here's hoping we meet now and then
It was great fun
But it was just one of those things
