

Lighten Up

Chickenfoot

Why you workin' so hard, baby
You could be makin' it easy
You know it pisses me of sometimes
When you, you start acting sleazy I'm under so much pressure
You know there's not much blowin' up
Feelin' under the gun sometimes
Makes me feel like throwin' up I said, oh baby
You're pushin' too hard
You're pushin' too hard
You say, lighten up, uh Well, don't ask me no questions
And I will tell you no lies
We've been down that road before
Babe it's me and not that other guy And I never wanted to hurt you
I didn't mean to make you cry
You always get what you want from me, don't you
With a tear drop in your eye I said, oh baby
You're pushin' too hard
You're pushin' too hard
You got to lighten up You're pushin' too hard
You're pushin' on me
You're pushin' too hard, baby
Lighten up I like it when you want it
Especially when you take it
When you really, really need it
That's why I know you're not faking it, wooh Hey, gonna call in a doctor
Baby get you on some pills
But then I started to worry about you, baby
Could be the pill that kills I said, oh baby
You're pushin' too hard
You're pushin' too hard
You got to lighten up Oh baby
You're pushin' too hard
Lighten up I said, oh baby
You're pushin' too hard
You're pushin' too hard Oh baby
Come on, baby
Come on, baby
Lighten up Yeah Oh baby
You're pushin' too hard

Oh baby
Baby, lighten upPushin' too hard
You're pushin' too hard
Pushin' too hard
Pushin' too hard
Of where you want me to be
I say, oh baby
Pushin' too hard
Oh baby, come onPushin' too hard
Baby, lighten up
Oh baby
