Blue Roses

Rachael Sage

He gave her bouquets of blue roses
She held them upside-down they dried
He came and went like wild horses
And she cried, criedSometimes a reservoir is frozen
Sometimes a wishing-well runs dry
She learned to summon up his kisses
Like they were clear blue skyWhat's it gonna be tonight, tonight, tonight
Are you you gonna save a life with all your maybe, might
I don't need a thing a thing a thing a thing
Just someone to bring to bring bring bring me blue roses
He held his secrets in like lava
She never knew when they might spill
He doled out pieces of his present
'til she was unfulfilled()
I will not give up on the light until
Everything's not impossible oh
I will not give up on the light until
Everything's not impossible()
