Haven't Loved Right

Kandi

I haven't loved right since you left
I forgot what it means to love someone 'stead
I haven't loved right since you're gone
I know the feeling is still there
But I just can't turn it on
Whoa, it's me and pity on my soul
I'm so alone, since you've been gone
And whoa it's me, I've been waiting by the phone
For way too long, I can't move on
Oh, oh oh
I haven't loved right
Everything is wrong
Oh, oh, oh
I haven't loved right
Everything is wrong
Since you've been gone
I haven't loved right, my heart's empty
I feel like an old tree, I'm as hollow as I can be
I haven't loved right
'Cause I can't, it's not like I don't want to
But my heart is still missing you, oh
Whoa it's me and pity on my soul
I'm so alone, since you've been gone

And whoa it's me, I've been waiting by the phone
For way too long and I can't move on
Oh, oh, oh
I haven't loved right
Everything is wrong
Oh, oh, oh
I haven't loved right
Everything is wrong
I wish I could hold you in my arms again
For one more time, baby
And I wish I could be the one you're in love with
Just one more time, one more time
Oh, oh, oh
I haven't loved right
Without you baby, baby, baby

Oh, oh, oh
I haven't loved right
Without you in my life
Haven't loved right
Haven't loved right
Without you in my life
