I'm Not Crazy

Quantum Giant

c-c-c-c-c-c-c-crazyyyyyyyy c-c-c-c-c-crazyyyyyyy

Just cause I have your picture in my locker
Doesn't make me some kind of stalker
Bright blue eyes, tall, dark, and handsome
Makes my heart b-beat like a bass drum
Oooooo
Yeah that is meant to be, been waiting patiently
Now baby can't you see
Oooooo
Yeah I'm your future wife, we'll start a brand new life

Boy you know just how to make me blush, make me blush
And it can't be just another crush, another crush
I just wanna get next to you, next to you
And if you knew me then you'd love me too, love me too

And if two worlds could collide, I'd never wonder why
You make me act like a wannabe, I wanna be
A little closer to you baby I'm not crazy

c-c-c-c-c-c-c-crazyyyyyyyy c-c-c-c-c-crazyyyyyyy

Did you think that I'd forget
The time that you winked at me (there's something in my eye)
Got all teary eyed cause you wanted me
Baby, baby ooooo I read your horoscope
Says today you're gonna meet a Scor-pi-o (that's me)
Oooooo yeah
this is meant to be
Been waiting patiently, now baby can't you see
Oooooo yeah
I'm your future wife well start a brand new life

Boy you know just how to make me blush, make me blush
And it can't be just another crush, another crush
I just wanna get next to you, next to you
And if you met me then you'd love me too, love me too

And if two worlds could collide, I'd never wonder why
You make me act like a wannabe, I wanna be
A little closer to you baby I'm not crazy
