

Best Friend

Avant

Iâ€™m looking at this text from you
All except for what he put you through
But this time it seems like it feels some kind of way
Said you really need to see me
But itâ€™s a different kind of energy
Maybe Iâ€™m just trippin'
Maybe youâ€™re just teasin'
All I need is a reason

Oh, but tonight is just the right time
I got freaky shit on my mind,
Hope you feeling the same
Feeling is too strong, girl itâ€™s on

Iâ€™m about to press send
Iâ€™m talking to my best friend
Sheâ€™s vulnerable and I am to
I donâ€™t know if itâ€™s the right thing to do
I donâ€™t wanna feel different
Rolling with my best friend (Yeah yeah)
I was sure that something like this could happen
When you make the opposite your best friend

Oho, oho, oh whooa, yeah
When you make the opposite your best friend
Oho, oho, oh whooa, yeah
When you make the opposite your best friend

Iâ€™m sitting outside of your house
Ready to tear that thing out
Itâ€™s hard to say, how I feel about it the next day yay
I can tell from your text now
That youâ€™re ready to have sex now
You say youâ€™re undressed and about to relax
Guarantee itâ€™s going down now
Oh, Iâ€™ve have known you for a long time
Never had that thing on my mind
Maybe sheâ€™s delirious,
Maybe Iâ€™m just curious, I donâ€™t know

Iâ€™m about to press send
Iâ€™m talking to my best friend
Sheâ€™s vulnerable and I am to
I donâ€™t know if itâ€™s the right thing to do
I donâ€™t wanna feel different
Rolling with my best friend
I was sure that something like this could happen
When you make the opposite your best friend

Oho, oho, oh whooa, yeah
When you make the opposite your best friend
Oho, oho, oh whooa, yeah
When you make the opposite your best friend

Boom, clap, boom, boom clap
Boom, clap, boom, boom clap
You win, you win, or either you lose
When you make the opposite your best friend

Put your mind on the work
Itâ€™s a chance Iâ€™m gonn take
A whole lot of games, itâ€™s a lot at stake
You win, you win, or either you lose
When you make the opposite your best friend

Oh oho, oh oho, ooh oh, oh, ooh whoa, yeah
Your best friend, the opposite your best friend
Oh oho, ooh oh, oho, ooh , oh whoa, ooh ho oh yeah
When you make the opposite your best friend

Best friend, best friend, best friend,
Best friend
When you make the opposite your best friend
Oho, (Hoo) oho, Best friend, baby yeah
When you make the opposite your best friend.
