

# Fake No More (BJ Crna Trava Rmx)

## La Cherga

Be aware of what we play here  
all these chords you've heard be4  
this groove always makes you stupid  
let your hips just move so freely  
All these women shaking titties  
all these men just wanting quickies  
all these morons making money  
shitting on stage,  
tryin' to be funny
