

# The Best Is Yet to Come

**Carole King**

Hard times, hand to mouth, down and out,  
All those hard times  
But we've seen the seasons turning  
As we weathered every storm  
And the climate of our loving  
Is so tender and so warm And the best is yet to come  
This is only the beginning  
And we've only just begun  
To realize the best is yet to come Heartache, more or less useless,  
All the heartache  
But when the flood of sudden tears came down  
We smiled and stood our ground  
And the laughter we'd been counting on  
It finally came around And the best is yet to come  
And it's getting so much better  
Than anything I've known  
And I know, oh, yes  
The best is yet to come
