

Never Satisfied

Jennifer Lopez

I've been tossing and turning
All this hunger is burning
I need something to feed my soul I race my thoughts to the morning
I got this need that's growing
Wake you up just to make me whole Your body is heaven and it feels like home
And those sweet lips, I can never let you go I'm never satisfied
Honey my appetite
It's keeping me up at night
I'm going crazy for more of your love I need you all the time
You bring me back to life
I'm going crazy
For more of your love Raven hits every time I leave you
There ain't nothin' else I can do
I follow anywhere you go Your body is heaven and it feels like home
And those sweet lips, I can never let you go I'm never satisfied
Honey my appetite
It's keeping me up at night
I'm going crazy for more of your love I need you all the time
You bring me back to life
I'm going crazy
For more of your love One taste is never enough
I'm losin' my mind
I can't stop thinking 'bout your sweet love,
All of the time
I don't know if I'm gonna make it alone
Make it alone I'm never satisfied
Honey my appetite
It's keeping me up at night
I'm going crazy for more of your love I need you all the time (all the time)
You bring me back to life (back to life)
I'm going crazy
For more of your love
