

Soothe Me

[Sam Cooke](#)

Soothe me baby, soothe me
Soothe me with your kindness
For you know your powerful love is
Soothin' to meSoothe me baby, soothe me
Soothe me with your kindness
For you know your powerful love is
Soothin' to meOh how I used to ramble
And how I used to roam
Oh but since I met that baby of mine
All I do is stay at home, & I tell herSoothe me baby, soothe me
Soothe me with your kindness
For you know your powerful love is
Soothin' to meOh I used to have a lot of girls
Have them big & small
Oh but since I met that baby of mine
I know no other girls at all; I just tell herSoothe me baby, soothe me
Soothe me with your kindness
For you know your powerful love is
Soothin' to meIt's so soothin' to me
Your love, babe, is soothin' to me
