

Simply Beautiful

Duane Stephenson

You are the wonder of my circumstance And baby you turn me on with just one dance

Lady it will mean a lot if I knew your name

But I know that life will never be the same Simply beautiful

After all that have seen

Is been million in my life

But you are the wonder of my dreams

Simply beautiful

After all that has been said

I hope through all that you will take

And beside meplease obey

"Oh yes

"Please obey

2nd VERSE

Now I have got a choice of a life time to make

Forever is all I need Is all that I will take

Holding your hands till the day that I die

Forever it takes, I do it your side

Simply beautiful

After all that have seen

Is been a million in my life

But you are wonder of my dreams

Simply beautiful

After all that has been said

I hope through all that you will take

And beside me..... please obey 3rd VERSE

Wanting to hold you, so close to me

Touching your body endlessly

A music will rise and a song we will sing

Will lift our heart and heavenly

Simply beautiful

After all that have seen

Is been a million in my life

But you are wonder of my dreams

Simply beautiful

After all that has been said

I hope through all that you will take

And besidepls obey
