

# Red Hill Mining Town

## U2

From father to son  
The blood runs thin  
See faces frozen still  
Against the windThe seam is split  
The coal face cracked  
The lines are long  
There's no going back  
Through hands of steel  
And heart of stone  
Our labor day  
Has come and goneYeah you leave me holding on  
In Red Hill town  
See lights go down, I'mHanging on  
You're all that's left to hold on to  
I'm still waiting  
I'm hanging on  
You're all that's left to hold on toThe glass is cut  
The bottle run dry  
Our love runs cold  
In the caverns of the night  
We're wounded by fear  
Injured in doubt  
I can lose myself  
You I can't live withoutYeah you keep me holding on  
In Red Hill town  
See the lights go down on  
I'm hanging on  
You're all that's left to hold on to  
I'm still waiting  
Hanging on  
You're all that's left to hold on to, on toWe'll scorch the earth  
Set fire to the sky  
We stoop so low, to reach so high  
A link is lost  
The chain undone  
We wait all day  
For night to come  
And it comes  
Like a hunter childI'm hanging on

You're all that's left to hold on to  
I'm still waiting  
I'm hanging on  
You're all that's left to hold on to Love, slowly stripped away  
Love, has seen its better day Hanging on  
The lights go out on Red Hill  
The lights go down on Red Hill  
Lights go down on Red Hill town  
The lights go down on Red Hill
