Endlessly (Feat. Aloma Steele)

SirensCeol

-Bridge (variant)-
In the city, we're beautiful.
I count the ways we shine in the black skies.
Close you're eyes, love's revived.
Can you feel the minds in motion?
Can you make a heart beat?-Electronic Rift-
Can you feel the minds in motion? (x2)Endlessly, we move the ground,
Endlessly, we aim to meet off bound.-Bridge (variant)-
In the city, we're magical,
I count the leaves entwined, and up so high. (Endlessly, we aim to meet off bound.)
So, close you're eyes, love's revived.
Can you feel the minds in motion?
Can you make a heart beat?-Bridge (variant)-
In the city, we're beautiful.
I count the ways we shine in the black skies.
Endlessly, we move the ground.
Endlessly, we aim to meet off bound.-Electronic Rift-
