Ufo

Samantha Jade

I just don't wanna be lonely
'Cause the lights, were shining ever so bright
In my hand there's a pulse of my beat he-he heart
I'm biting my tongue there's a plastic man on the telephoneCan you see the bright light? Shining, I dont know
Can you see the bright light? Shining, shining...I saw a UFO and nobody believes me
I was sixteen miles from home with nobody in sight
I saw a UFO but nobody believes me
And Whats it gonna take to get me back home tonight
Can you see the bright light? Shining, I dont know
Is it a reflection of anyone? The big glow
And tell me this is all good, and you say, I dont know
I'm very very far from home.I saw a UFO and nobody believes me
I was sixteen miles from home with nobody in sight
I saw a UFO but nobody believes me
And Whats it gonna take to get me back home tonighthello? hello? hello? hello?
hello? hello? hello? hello?
hello? hello? hello? hello?I saw a UFO and nobody believes me
I was sixteen miles from home with nobody in sight
I saw a UFO and nobody believes me
I'm sixteen miles from home with nobody in sight
I saw a UFO and nobody believes me
I was sixteen miles from home with nobody in sight
I saw a UFO and nobody believes me
So whats it gonna take
whats it gonna take
whats whats what it gonna take
whats it gonna take
whats whats what it gonna take to get me back home tonight.
