i'm sittin' here alone
in Abell
far away from all
i feed my mind with sounds
and my soul
with colorsi'm sittin' here
in Abell
i can;t reach me
sonic utopia
feels my body
cosmic waves my soulit's time to let you go
it's time to let you mine
it's time to live your life
as hard as you can goit's time to make you go
it's time to have your time
it's time to live your life
as hard as you can goi'm thinking about you
and i'm waiting all alone
i don't mean to be a clown
cause I've been waiting for so longi'm getting back and forth
and i'm here to hear your sound
i'm sinking my friend
i got lost in the desert and foundi'm touching all over
i got lost in the desert my baby
i'm feeling my voice again
but i can reach till the top of my head
