Green Light

Beyoncãƒ»

Give it to mama
Give it, give it
Give it to mama, mama (oh)
Give it
Give it to mama, mama

For some strange reason (huh)
You done pleasin' me like it's okay (oh, oh, oh)
Like a perm that's been left too long, it starts to burn
The result is it just won't take (oh, oh, oh)
(I can see) now it's all coming so clear to me now
(I can see) misinterpreted all of my naiveness
Was just thinking if I had no you that I can't do
My stock just went up over two million

[Chorus]
So if you want to (uh, uh, huh, uh, uh)
You got the green light (uh, uh, huh, uh, uh)
So if you want to (uh, uh, huh, uh, uh)
You got the green light (uh, uh, huh, uh, uh)
So if you want to (want to, want to) (uh, uh, huh, uh, uh)
You got the green light (uh, uh, huh, uh, uh)
So if you want to (uh, uh, huh, uh, uh)
You got the green light (uh, uh, huh, uh, uh)
Give it to mama

Go, go, go, go
Go, go, go, go
Go, go, go, go
Go, go, red light
(Ah) green light

Some sillies say I should be trophied
'Cause it gets no stronger (oh, oh, oh)
Ladies, y'all know (yeah, girl, y'all know)
This pimp-ish mitt's no older
Is that a threat? (what's another threat?)
Yep (that's another threat)
Immune, you can get no colder
You got the green light (whoa)

You the king, right? (whoa)
You holdin' up traffic
Green means go

Go, go, go, go
Go, go, go, go
Go, go, go, go
Go, go, red light
(I said you're holdin' up traffic; green means go)
Green light

[Chorus]

Ain't no problem, you can go
I'm gon' find somebody else
So why not move along?
You got the green light, so you can go
(Go, go, go)

Go, go, go, go
Go, go, go, go
Go, go, go, go
Go, go, red light
(Ah) green light

I gave all I could give
My love, my heart (my heart)
Now we're facing the end (the end) of what you did from the start
My love

(You're holdin' up traffic
Green means go)

[Chorus]

Ain't no problem, you can go
I will find somebody else
So why not move along
You got the green light, so you can go
(Go, go, go)

Go, go, go, go
Go, go, go, go
Go, go, go, go
Go, go, red light
(Ah) green light
