

Playboy

Freddie And The Dreamers

How nice if I could always play
Love all night, sleep all day
No bills to worry how to pay
Never care what people say

For you love, you could have any toy
If I were a playboy

No work to do but time to waste
Food to eat and wine to taste
Then we could travel such a lot
In my plane or on my yacht

For you love, Hong Kong or Illinois
If I were a playboy

I wanna just make you happy
Be with you so that you'll love me
Take care of you my whole life through
Is that what you want too?
Is that what you want too?

For you love, you could have any toy
If I were a playboy

We'd live like a duke and duchess
We'd live in our castles, much less
Wherever the sun was, we'd be
But, darling, can't you see?

These things I only want with you
If you leave then I go too
I'm just trying to dream a life for us
Do as you like without any fuss

But, you love, you are my one joy
'Cause I'm not a playboy
