

I Will Worship You

Aaron Gillespie

When I am losing
When I am broken
When I am sinking like a stone
And it feels like I am alone
I will worship YouWhen I am so scared
Life is unfair
When I am tired to lose my way
When I am feeling so ashamed
I will worship You
You are the anchor to my soul
Draw me to you and soon it go
Only love can make me whole
Jesus I worship you
Jesus I worship youWhen I am dancing
When I am hopeful
When I am feeling mercy's hand
And I'm living life again
I will worship youWhen chains are broken
When heal it's coming
When you will forgive me my heart
This is my brand new start
I will worship you, yeahYou are the anchor to my soul
Draw me to you and soon it go
Only love can make me whole
Jesus I worship you
Jesus I worship youHalleluia
Halleluia
Halleluia
I got to run
You are the anchor to my soul
Draw me to you and soon it go
Only love can make me whole
Jesus I worship you
Jesus I worship you
Jesus I worship you
