Watch Me Bleed

Perfume

Heaven comes to he who waits
But I know I'm getting nowhere
And all the deeds of yesterday
Have really helped to pave my way
Though there's no one near me now
How come everyone can touch me now?
You see the torture on my brow
Relates to neither here nor now
Watch me bleed
Bleed forever
Watch me bleed
Bleed forever
Although my face is straight it lies
My body feels the pain and cries
Here the table is not bare
I am full but feeling empty
For all the warmth it feels so cold
Ooh I'm so young I feel so old
Watch me bleed
Bleed forever
Watch me bleed
Bleed forever
It's not allowed to be unkind
But still the hate lives in my mind
I'll make no noise I'll hide my pain
I'll close my eyes I won't complain
I'll lie right back and take the blame
And try to tell myself I'm living
And when it's all been said or done
Where do I go? Where do I run?
What's left of me or anyone
When we've denied the hurting?
Oh oh oh oh oh
Pa pa pa pa pa pa pa pa
And when it's all been said or done
Where do I go, where do I run?
What's left of me or anyone
When we've denied the hurting ?
Oh oh oh oh oh

Watch me bleed
Bleed forever
Watch me bleed
Bleed forever
And all the deeds of yesterday
Have really helped to pave my way
Watch me bleed
Bleed forever
Watch me bleed
Bleed forever
And all the deeds of yesterday
Have really helped to pave my way
