

Suspender Love

Scorpions

Suspender love
Ah, you turn me on
I've been the biggest fan of yours
Ah, ha, there's something more
So much more, baby
Ah, I can't be cool
It's getting stronger everyday
Well, yeah, pictures of you
I cut them out, baby
Give me the long faced girl on the magazine
Show me the white Rolls Royce in the rain
Give me the long faced girl on the magazine
Show me the white Rolls Royce in the rain
I can't get enough

Too hard a body drives me mad
Woah, yeah, it's like a drug
Suspender love, baby
Give me the long faced girl on the magazine
Show me the white Rolls Royce in the rain
Give me the long faced girl on the magazine
Show me white Rolls Royce in the rain
Ah, ha, oh, yeah
Ah, ha, ah, ha, ha, ha, yeah
Give me the long faced girl on the magazine
Show me the white Rolls Royce in the rain
Give me the long faced girl on the magazine
Show me the white Rolls Royce in the rain
