

# Honey Bee

Tom Petty

Come on now, give me some sugar  
Give me some sugar, little honey bee  
Don't be afraid, not gonna hurt you  
I wouldn't hurt my little honey bee Don't say a word, 'bout what we're doin'  
Don't say nothin' little honey bee  
Don't tell your momma, don't tell your sister  
Don't tell your boyfriend, little honey bee She like to call me king bee  
She like to buzz 'round my tree  
O call her honey bee  
I'm a man in a trace  
I'm a boy in short pants  
When I see my honey bee  
And I've got something to say Look here now, peace in the valley  
Peace in the valley with my honey bee  
Don't say a word, 'bout what we're doin'  
Don't say nothin' little honey bee She give me her monkey hand  
And a Rambler sedan  
I'm the king of Milwaukee  
Her juju beads are so nice  
She kissed my third cousin twice  
I'm the king of Pomona  
And I've got something to say
