

# Total Eclipse of the Heart

## Glee Cast

Turn around

Every now and then I get a  
little bit lonely and you're never coming 'round

Turn around

Every now and then I get a little bit tired of  
listening to the sound of my tears

Turn around

Every now and then I get a little bit nervous that the best of all the years have gone by  
Every now and then I get a little bit terrified and then I see the look in your eyes

Turn around bright eyes

Every now and then I fall apart

Turn around bright eyes

Every now and then I fall apart

And I need you now tonight

And I need you more than ever

And if you'll only hold me tight

We'll be holding on forever

And we'll only be making it right

Cause we'll never be wrong

Together we can take it to the end of the line

Your love is like a shadow on me all of the time

I don't know what to do, I'm always in the dark

We're living in a powder keg and giving off sparks

I really need you tonight

Forever's gonna start tonight

(Forever's gonna start tonight)

Once upon a time I was falling in love,

Now I'm only falling apart

There's nothing I can do

Total eclipse of the heartOnce upon a time there was light in my life,

Now there's only love in the dark

Nothing I can say
