

# '59 Cadillac '57 Chevy

## David Allan Coe

Standin on the corner  
Watchin all the girls go by  
Drinkin wine and whiskey  
Smokin joints and stayin high  
I was young and crazy  
And I never thought that I could die  
Ch: '59 Cadillac '57 Chevorlet  
Going thru the gravel  
Till it brings you to the break of day  
Smokin in the boys room  
Lookin for some chick to lay  
I was young and crazy  
And life was full of girls and beer  
Now I'm getting older but  
I'm still crazy after all these years  
All these years  
Lookin at the strippers  
Hangin in the titty bars  
Life was Jim Bean Whiskey  
Naked chicks and fancy cars  
I thought I was bullet proof  
I was reachin for the stars  
Repeat Chorus  
'59 Cadillac '57 Chevorlet
