

Las Brisas

Ringo Starr

Cross over the border, we'll take a sailin' ship

 Into the night, a sea without horizons

 We'll have each others love to hold us tight

 On a starless night

Oh Las Brisas, means the breeze will carry us

 Like two birds in flight on a starless night

 Oh penumbra, means the sunset that I see

 Within your smile is the dawn of your eyes

 Yo te amo, means I love you like

 I've never loved before

 Dreams come true, dear when I take you

 In my arms forever more, forever more

 Oh Las Brisas, means the breeze will carry us

 Like two birds in flight on a starless night

 Oh penumbra, means the sunset that I see

 Within your smile is the dawn of your eyes

 Penumbra, means the sunset that I see

 Within your smile is the dawn of your eyes

 Yo te amo, means I love you like I've never

 Loved before, forever more, forever more
