

Kodaline

All i Want

All I want is nothing more than to hear you knocking at my door, cause if I could see your face once more I
could die a happy man I'm sure

When you said your last goodbye I died a little bit inside I lay in tears in bed all night alone without you by my
side

But if you loved me why'd you leave me take my body take my body

All I want is and all I need is to find somebody I'll find somebody like you

Ooh oh

Cause you brought out the best of me a art of me id Never seen you took my soul and wiped it clean our love
was made for movie scenes

But if you loved me why'd you leave me take my body take my body

All I want is and all I need is for find somebody I'll find somebody like you

Ooohhh ohh
