Even If

Kutless

Someitmes all we have to hold on to
is what we know is true of who you are
so when the heartache hits, like a hurricane
that can never change, who you are
And we trust, in who you are
Even if the healing doesn't come
and life falls apart
and dreams are still undone
You are God, You ar good, forever faithful one
Even if the healing, even if the healing doesn't come
Lord we know your ways are not our ways
So we set our faith in who You are
Even though you reigned high above us
You definitely love us, we know your heart
And we rest in who you are
Even if the healing doesn't come

and life falls apart, and dreams are still undone
You are God you are good, forever faithful one
Even if the healing, even if the healing doesn't come
You're still the great and mighty one
We trust you always
You work in all things for our good
We'll sing your praise
Even if the healing doesn't come
and life falls apart and dreams are still undone
You are God, You are good
Forever faithfull one
Even if the healing, even if the healing doesn't com
You are God and we will bless you as the good and faitful one
You are God and we will bless you
Even if the healing doesn't come
Even if the healing doesn't come
