Prophet of the Last Eclipse

Luca Turilli

She's ready to turn off her life's flame to free all his people from
hell but no... he doesn't want to accept this solution preferring to
think of how he can escape Hundreds of them are now coming "friend" is
now an ancient word there's no place left to hide in this white icy
dungeon no way to survive of the close shadows' fall... shadows' fall...
And so she made her choice seeing Arkan fooling himself with lost hopes
She left her lover's arms and crying, she started to run away... to
them!
She looked at him praying... 'forgive me!' but he could not answer at
all she was gonna be killed by the mass of those riled now screaming and
trying to stop all their pain 'cause she would have been surely tortured
by all of those religion's fools he was then obliged to shoot his
princess to avoid the brutality of his now... dead old friends
She was now lying there dying in a lake of ice and blood while he,
embracing her, was killing them with his red eyes...
WHEN HER BLOOD RAN THROUGH THE DARK ICE THE SURFACE BEGAN TO TREMBLE
QUAKES AND THUNDERS CRASHING EVERYWHERE THIS IS ZAEPHYR'S TRAGIC
DOOMSDAY WHAT WAS UNREVEALED SO EVEN TO THE PROPHET OF THE LAST
ECLIPSE... LAST ECLIPSE
No trace of life around What happened to his ancient town? He hopes it's
not a dream but the sun is now lighting him...
WHEN HER BLOOD RAN THROUGH THE DARK ICE THE SURFACE BEGAN TO TREMBLE
QUAKES AND THUNDERS CRASHING EVERYWHERE THIS IS ZAEPHYR'S TRAGIC
DOOMSDAY WHAT WAS UNREVEALED SO EVEN TO THE PROPHET OF THE LAST
ECLIPSE... LAST ECLIPSE
