The Travellers Part 1

Stone Sour

I think I?m happy
Mostly happy
On a green autumn day
I?m walking lazy
Barely moving
Settle out and fade away
Seems a life is something more than a journey with no end

I just want to lose it all and find myself again
I?m on my own
I?m on my own
I don?t need a conscience to tell me how I feel
I don?t need these weary eyes to focus on what to conceal
I don?t need anybody to tell me who I am
Blame it on a broken heart
I?m falling apart again
