

# Beautiful View

[Birdsong.fm](http://Birdsong.fm)

I'm so electrified  
Transcending space and time  
    Oh oh oh  
    Future so undefined  
    Leave the routine behind  
    Everytime everytime blow my mind  
When I see you I don't know what to say  
    You turn night into day  
    It's a magical circle  
You're takin' my breath away  
    Beautiful beautiful view  
    Everytime I look at you  
    It's like a spirit callin'  
    Beautiful beautiful you  
    Baby I'm so into you  
    It fells like I'm fallin'  
    Target identified  
    I'm blinded by your light  
    You keep me up all night  
    But it's no sacrifice  
    Everytime everytime blow my mind  
When I see you I don't know what to say  
    You turn night into day  
    It's a magical circle  
  
You're takin' my breath away  
    Beautiful beautiful view  
    Everytime I look at you  
    It's like a spirit callin'  
    Beautiful beautiful you  
    Baby I'm so into you  
    It fells like I'm fallin'  
    You blow my mind  
You're so beautiful beautiful beautiful....  
    You blow my mind  
    Beautiful beautiful view  
    Everytime I look at you  
    It's like a spirit callin'  
    Beautiful beautiful you

Baby I'm so into you  
It fells like I'm fallin'  
Beautiful beautiful view  
God has made a miracle  
The day you were born and  
    Beautiful beautiful you  
    I will never let you go  
You're like the perfect song yeah  
    It fells like I'm fallin' yeah
