Without U

Calski

I remember that day
You told me that your mamma was taking you away
Daddy put her through some drama, tears came to my eyes
Really didn't wanna cry, but it hurt so bad on the inside
Tell me how can this be that you're not here with me
And I can't do nothin' 'bout it, I'm only nineteen
Since the day you left me lonely
My life hasn't been the same
Nothin' but cloudy days
(Without you)
My sunshine turned to rain
(Without you)
My life is not the same
(Without you)
Just heartache and pain
(Without you)
Everything I do
(Is for you)
And every word I say
(Is true)
My mission on this Earth is to please you
Anything you say I'll do, can't live without you
Now you're in another state, I'm writing you this letter
With a picture in a frame, lying on the dresser
Baby, come home to me, it's your arms that I need
Need your kissin' and your huggin', rubbin' and your touchin'
Girl, I need your lovin', 'cuz my body's callin' you
Nothin' but cloudy days
(Without you)
My sunshine turned to rain
(Without you)
My life is not the same
(Without you)
Just heartache and pain
(Without you)
Everything I do
(Is for you)
And every word I say
(Is true)

My mission on this Earth is to please you
Anything you say I'll do, can't live without you
I'm talkin' 'bout your warm embrace
I'm talkin' 'bout your pretty face
Oh, how your kisses taste
(How your kisses taste)
Missin' her touch
I'm talkin' 'bout my baby girl
She used to be my whole world
But now she's not here, what am I to do
Nothin but cloudy days
(Without you)
My sunshine turned to rain
(Without you)
My life is not the same
(Without you)
Just heartache and pain
(Without you)
Everything I do
(Is for you)
And every word I say
(Is true)
My mission on this Earth is to be with you
Tell me what am I to do
I remember that day
You told me that your mamma was taking you away
That he put her through some drama
Tears came to my eyes, really didn't wanna cry
Sing it again, sing it again
I remember that day
You told me that your mamma was taking you away
That he put her through some drama
Tears came to my eyes, really didn't wanna cry
Nothin' but cloudy days
(Without you)
My sunshine turned to rain
(Without you)
My life is not the same
(Without you)
Just heartache and pain
(Without you)
Everything I do
(Is for you)
And every word I say
(Is true)

My mission on this Earth is to please you
Anything you say I'll do, can't live without you
